March 31, 2014

The Robins are back!

DUES & WATER

Owners: If you're on AutoPay with your bank, **please confirm they are paying the correct monthly amount**, as we're still receiving checks for \$202.40 which was the amount for 2013.

2014 Dues =	\$180.00
Water/Sewer =	<u>32.40</u>
	\$212.40

Owners and Tenants: If you receive notice that the water bill is slightly different than \$32.40, please pay that amount just "**one time**" for that particular month **and then go back to the regular amount of \$32.40/mo.**

Thank you for indicating the "month" you are paying in the MEMO line of your checks; it really helps!

NEW BOARD MEMBER

Birgit Yetter resigned from the Board effective March 10, and Terri Kenney was nominated to serve the balance of Birgit's place on the Board.

The Board wishes to thank Birgit for her service and for her support of the Association!

FITNESS ROOM

We're in the process of buying a new treadmill, so hang in there--you will be off and running shortly!

In the meantime, it would be nice to know how many residents utilize the equipment on a regular basis, days used most often, etc. Feel free to share your thoughts in this regard.

think SUMMER!

Please email back if you're interested in the following...

*A Community Garage Sale

*Resident Picnic

Maybe hold a garage sale in June, say after school's out--but before the Cherry Festival?

Maybe have a picnic, say after the Cherry Festival--but before the Film Festival? :D

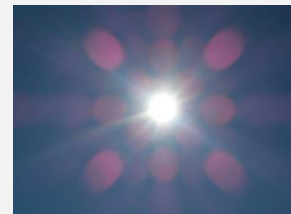

DOGGIE PLAY DATE

Frodo is bored and wants to meet some of the other dog-residents here at Premier. If you're interested in a play date sometime in May WHEN IT SHOULD BE WARM, drop a line!

"Here comes the sun..."

It's been a long, cold winter, and all I can say is THANK GOODNESS it's spring and the sun is shining!

...and I say it's alright."
